

Postgraduate Program for 2013 Enrollment

For details, please refer to the Guidelines for Applicants available at the following websites

International Course in Management of Civil Infrastructure <http://www.ce.t.kyoto-u.ac.jp/mci/en/admission/download>

International Course in Urban and Regional Development <http://www.um.t.kyoto-u.ac.jp/urd/en/admission/download>

Selection Method

Applicants are selected based on a comprehensive evaluation of the submitted documents together with the examination score.

Subjects

- (1) English ability (200 points): assessment of the submitted TOEFL or IELTS score certificate. Applicants who have submitted a "Statement of English Proficiency" will be evaluated through interview examinations.
- (2) Interview I/II (800 points): Achievement in undergraduate course, study plan and suitability for the master's course are assessed through a **10-minute presentation** and a **20-minute discussion**. Applicants should prepare a presentation which outlines **I) their specialized knowledge of the area of study**, and **II) their proposed research plan for the course**.

Venue and schedule

Applicants should take the examination in Japan or elsewhere in July or August. **More detailed instructions on the interview will be provided together with the examination voucher**, which will be mailed to applicants after their application has been accepted.

Examination criteria

Applicants are graded according to the sum total of their score for English ability (200 points maximum) and interview (800 points maximum). Applicants whose total score is less than 500 points out of 1000 are not eligible for enrollment.

Eligibility Requirements for Applicants and Eligibility Screening

i) Eligibility requirements for applicants

Applicants must have non-Japanese citizenship and hold the residence status of "College Student" at the time of admission, and satisfy any of the following requirements (or will satisfy any of the following requirements by the end of March 2013).
