

**(NOTE) Partial Change of Eligibility Requirements in “Guidelines for International Applicants to the 2018 Master’s Course Program” of International Course in Management of Civil Infrastructure in Department of Civil and Earth Resources Engineering, and International Course in Urban and Regional Development in Department of Urban Management**

Please note that the partial change of the eligibility requirement has been made as shown in red in the entrance examination to the 2018 Master’s Course Program to be held in August 2017.

**V. Eligibility Requirements for Applicants and Eligibility Screening (page 6-7)**

i) Eligibility requirements for applicants

Applicants must have non-Japanese citizenship and hold the residence status of “College Student” at the time of admission, and satisfy any of the following requirements (or will satisfy any of the following requirements by the end of March 2018).

**Requirements:**

- (1) Must have graduated, or be expected to graduate from a Japanese university (excluding Undergraduate School of Global Engineering, Faculty of Engineering, Kyoto University) by March 31, 2018
- (2) Must have completed, or be expected to complete 16 years of school education by March 31, 2018
- (3) **Must have received, or be expected to receive a degree equivalent to a bachelor’s degree by March 31, 2018 by completing a three-year or longer program at a foreign university or other foreign educational facility. The university or educational facility must have been accredited by the respective foreign government or a person certified by the appropriate foreign governmental agency, or have been so designated by the Minister of MEXT.**
- (4) Must have completed 15 years of school education in a foreign country and must be recognized by the Graduate School of Engineering, Kyoto University as having earned specified credits with excellent grades **(This excludes applicants who satisfy (3).)**
- (5) Must be qualified by means of an individual entrance examination by the Graduate School of Engineering of Kyoto University, must be judged to have academic ability equivalent or superior to a university graduate, and must be at least 22 years of age by March 31, 2018

ii) Eligibility screening

**Applicants filing under Requirement (4) or (5) above** are required to submit the following documents for preliminary eligibility screening.

**Documents to submit for eligibility screening [applicants filing under Requirement (4) or (5)]**

(a) Application Form for Eligibility Screening	Applicants filing under <b>Requirement (4) or (5)</b> : Use the attached designated form <b>(Form A)</b> . Applicants should contact their preferred supervisor prior to submitting their application documents.
(b) Certificate of Graduation (or Expected Graduation), Certificate of Bachelor’s Degree and Transcript of Academic Record	Applicants filing under <b>Requirement (4) or (5)</b> : Submit certificate of graduation, certificate of bachelor’s degree and a transcript of your academic record prepared by the university in which you are/were enrolled. (If graduation certificate or other documents show that bachelor’s degree has been completed, applicants don’t need to submit Certificate of Bachelor’s Degree) If the certification is not written in English or Japanese, both the original and its <b>English or Japanese translation</b> must be submitted. (A translation by the applicant is acceptable.)
(c) Curriculum Sheet	Applicants filing under <b>Requirement (4)</b> : Submit a curriculum sheet, provided by the department in which you are/were enrolled, that outlines the contents of the courses. If the certification is not written in English or Japanese, both the original and its <b>English or Japanese translation</b> must be submitted. (A translation by the applicant is acceptable.)

Other minor changes relevant to this partial change have been noted in red in the guideline. Please refer to the guideline.
